

Self Help

Type into a search engine such as DuckDuckGo or Google or wikiHow:

What you are looking for in plain English:

tips for searching for help on the web

Any term match. Get pages that match any (one or more) of these search terms:

tips search web

Exact term match. Use quotes to get pages that include these search terms in exactly the same order:

"top web search tricks"

Use – to exclude pages with that term:

"search tricks" -google

Use + to include only pages with that term:

"search tricks" +duckduckgo

Search for videos:

search tricks

Click on 'Videos' link under search box

Search for images:

fall leaves

Click on 'Images' link under search box

Search for news:

us 2018 election results

Click on 'News' link under search box

Example, need help with hotmail spam or junk mail:

hotmail

hotmail +spam

hotmail +"junk mail"

hotmail +spam +"junk mail"
